

Team Sharing Activity

Roles

Facilitator: It is the facilitator's job to keep discussion on task. Make sure all voices are heard and that all of the Guiding Questions are addressed.

Note taker: Make sure the "Notes" sheet gets completed.

Time keeper: Keep the group aware of time. Leave at least 5 minutes at the end to review the next steps.

Stacker: If many people want to speak at once, keep a list and call on people in order.

Guiding Questions

- 1) What did you learn in your Visioning session? Go around the circle and have each person share what he/she learned. (A quick overview or highlight in 2 minutes or less.)

- 2) How can you apply what you learned at your school? Discuss as a group.

- 3) Who else in our community can help us (in this phase or with the garden project as a whole)? Brainstorm a list of community contacts.

- 4) What are your long-term goals for the garden (6 months and longer)?

- 5) What are your short-term goals for the garden (to be accomplished in the next 6 months)?

- 6) What are your next steps? Who will do what? Fill out the Action Plan Table.
