Swiss Chard	3	4	10	12	4.5	6	15	20	21	85	49
Tomatoes	24	15	70	40	36	23	110	65	36	165	55
Turnips	5	5	15	15	7	7	20	20	21	100	57
Watermelons	12	12	35	35	--	--	--	--	72	100	17

*Assumptions: Amount per person is for individuals who like to eat that particular plant. If they don't, they won't plant any.

Amount for a family of 4 is generally about 3 times the amount needed by one adult. This is because a family of four would usually include some children who probably wouldn't eat as much as an adult, or the family might include one or more members who wouldn't care to eat that particular vegetable.

**Yields are based on standard row plantings. Wide row planting, trellising, and other intensive gardening techniques would probably yield more than the amounts listed above.
