

**CROP PLANNING**

- What type of plant do I want to grow?
- What is the growing season for this crop?
- When do I want to be able to harvest this plant?
- What can I expect to harvest from each plant?
- How much of this plant do I want?
- How much space will each plant take?
- How much space will it take to grow the total amount of this crop that I want?
- How long will it take to produce a crop? (germination + days to maturity)
- How many seeds / plants will I need?
- Can I direct sow or do I need to start seeds indoors?
- Should I plant successions? When should I plant them?
